

Sheraton Waikiki, Honolulu, Hawaii - Meetings Area

SECOND FLOOR

PSAM 16 Calendar

Technical Program

Dear Colleagues,

It is our honor to welcome you to Honolulu, Hawaii, for the Probabilistic Safety Assessment and Management (PSAM) 16 Conference. We hope that you participate in the conference events that we have planned, and that you spend a few days around the conference to enjoy the location.

Starting each day of the conference through Thursday, we will have a plenary session at 9am. Please join us for a light breakfast before the plenary in the Lanai room. We also have several networking events including breaks between sessions and a light lunch each day. On Wednesday we will have the conference luau at the Royal Hawaiian (next to the Sheraton Waikiki). We will close PSAM 16 on Friday, July 1st at noon with our customary ice cream social.

On behalf of the International Association for PSAM Board of Directors, we wish you all an enjoyable experience at the conference, a memorable stay in the Hawaiian Islands, and a safe journey home.

Curtis Smith and Todd Paulos
